

Corr's Corner Hotel Marks 100 Year Milestone

One of the institutions of the local hospitality industry has been celebrating a remarkable 100 years in business.

Corr's Corner Hotel at Newtownabbey forms part of the McKeever Hotel Group, owners of the Dunsilly Hotel in Antrim, Ballymena's Adair Arms, Dillon's in Letterkenny and the Dunadry Hotel & Gardens.

Eugene & Catherine McKeever, the driving forces behind the development of the group, hosted a recent 100th anniversary reception alongside the Northern Ireland Family Business Forum, attending by 120 guests.

At the breakfast event, Eugene & Catherine McKeever - joined in the business by son and daughter Eddie & Bridgene - shared their memories on the growth of the hotels group and talked about succession planning and the wider industry to Business Eye's Richard Buckley.
